

MSR® SHIFT™ YOUTH SNOWSHOE

Age Group: 7 – 12 year olds
Gender: Boy and Girls
Shoe Sizes: Children size 3 up to Adult Men's 8 US (35-41 EU)

The Shift™ snowshoe is engineered for adventurous preteens, providing them with the same performance and features of our adult shoes for maximum fun and safety while snowshoeing. For parents who seek to share their passion for the outdoors, the Shift snowshoe offers the priceless benefit of top-level MSR® performance, ensuring their kids have the full opportunity to enjoy the experience.

KEY FEATURES:

- **Integrated Traction**

Traction bars are molded into the deck, reducing weight and providing a seamless aesthetic.
 Steel traction bars provide unsurpassed traction regardless of terrain.

- **FlexLite Binding**

Three strap system provides maximum adjustability for growing feet.
 Easy to use while providing a safe, secure & comfortable fit.
 Waterproof binding material won't freeze.

- **Flight Flotation Deck**

Tapered tip and tail make walking easy and natural.
 Flight Flotation Deck provides ample surface area to maximize flotation.
