

KIDS

GLACIER

With a 21" Western Frame and 6P-free decking, the Glacier is truly a "tweener" snowshoe. Girls looking for a 21" snowshoe will enjoy the youthful graphics on the women's 21" Xplore.

Women's 21" Xplore

STORM

Now with a new tapered frame shape, the new QuickLock™ binding and exciting graphics, the Storm is a kid's delight — it's PVC-free, too! Parents are off the hook with the new QuickLock binding, which locks with one swift push of the strap.

SNOWFLAKE

Designed for our youngest snowshoer (approximately 3-6 years old), the Snowflake is a great introduction to snowshoeing! The Snowflake's fun design features an easy 2-step binding, a heel grip area on the deck and gripping toe claws to ensure solid steps and stability. Best of all, the Snowflake comes with a sticker pack for boys and girls so little rompers can customize their snowshoes!

MODEL	SIZE, WT/PR	USER WT
GLACIER	8" x 21" / 3.0 lbs • 20 x 53 cm / 1.36 kg	80-150 lbs • 36-68 kg
