NEW & IMPROVED!

The best way to start snowshoeing! Tubbs' Xplore snowshoe is the lightweight, easy-to-use answer for the value-conscious customer wanting to experience the great sport of snowshoeing. The dependable Quick Fit™ binding is easier to use this year and wraps a wide variety of winter boot styles and sizes for men and women. Carbon steel toe and heel crampons keep you feeling secure on your journey, and the biomechanically-designed Fit-Step™ frame will keep you moving forward in comfort and confidence.
